

## CARPOOL INFORMATION FORM

In response to parent/guardian requests, Saint Joseph High School will create a carpool list for the convenience of our school families. If you are looking for a carpool, and would like your name and phone number on this list, please fill out the information below. Return this form with your registration materials to the front office. We will provide you with a complete list of families interested in carpooling, so that you can contact each other. The carpool list will be mailed in June.
