

Saint Joseph High School Qualifying World Language Exam

Saturday, 20 March 2010
8:30-10:00am - Room 404

If you believe your daughter's knowledge of **Spanish, French, or Italian** is sufficient for her to begin study at an advanced level she **MUST** take the foreign language qualifying examination. Any student who fails to take the qualifying examination will **NOT** be allowed to begin her foreign language study at an advanced level in Fall Semester 2010.

Saint Joseph High School Qualifying Mathematics Exam

Wednesday, 19 May 2010, 3:00pm
OR

Saturday, 22 May 2010, 9:00am - Report to Media Center

The Geometry and Geometry Honors courses are open to incoming freshman students who have completed a full-year course of Algebra I. Students who wish to apply for admission to these courses must take the SJHS Geometry Readiness Test. Students who meet these qualifications and:

- Complete Algebra I with a C or better and score a 70% or higher in the SJHS Geometry Readiness Test will be invited to enroll into the Geometry class;
- Complete Algebra I with an A and score 90% or higher in the SJHS Geometry Readiness Test or the IOWA test will be invited to enroll into the Geometry Honors class.

Please Call 562-925-5073 To RSVP For The Examinations.
