

School Needs

Campus Development

Donations for Scholarships
New and bigger student desks
Canopies to cover the walkway to the bungalows or to the MPB
Cement along the back of the classrooms on the field
Lunch tables for our students.
Benches around campus
White tables & orange umbrellas for Chapel Court
Pool
Theater
House adjacent to the school
Strip Mall next door, so we can build a track & field to add additional sports

Faculty

Sets of individual white boards
A second scantron machine
Computer Lab with enough computers for each student in a given class can use their own

Department Specific Needs

Technology

Printers for each classroom (or at least for each building)
LCD projectors mounted in each classroom
Most importantly, smart-classroom set-ups!
Ipads for incoming freshman uploaded with their textbooks
Tablets or Ipads for every teacher
Document projector
Laptop for each teacher.
Portable object/text viewer

Science

Full set of AP Bio CD-rooms that correlate to the labs

Math

Algeblocks – manipulatives for teaching factoring, multiplying terms etc.
Class sets of rulers with inches and cm
A dissectible cone for conic sections
TI-Navigator system [it links all the graphing calculators in a room to a single screen]
Class set of Zometools – for teaching three dimensions

VPA

A bank of mirrors for the drama dept
Partitions for making dressing rooms for the drama/dance dept

Pep Squad

Cheer/Gymnastics Mats

Religion

A Bible timeline combo - digital for projection and display model duo
