

Saint Joseph High School

Welcome to the Saint Joseph High School Athletic Program.

Over the years the Jester name has been synonymous with excellence in the classroom and on the playing field. When walking through the campus, around the athletic field, and in the Flynn center the special character of Saint Joseph High School is truly evident, with Love, Hope, and Zeal as the symbols of our program. The numerous banners, trophies, and plaques displayed in the Flynn center are testament to Jester athletes past and present. These athletes have contributed their time, dedication, and talent to many League Championships, C.I.F. Championships, and State Finals. They have become a part of history and tradition that echo throughout our school.

Every season, Saint Joseph High School charges an athletic fee of \$150.00 per athlete. This fee covers the various expenses of our athletic teams because we receive no archdiocesan funding for athletics. We rely solely on fees, fundraising, and benefactors to meet our athletic costs. We are trying our best to keep our expenses to you as low as possible, but maintaining the athletic program with such extensive variety of opportunities for our students requires us to collect athletic fees.

We will be conducting parent evening nights to talk about the athletic programs that your daughter will participate in after she makes a team that she is trying out for during the 2010/2011 season. The meetings will take place in the Flynn Center at 7:00 pm. The meetings are highly encouraged to meet with your daughter's coaches and to find out important information about the athletic program here at SJHS. This year our meetings will be on the following dates:

Fall Sports (Cross Country, Golf, Tennis & Volleyball)	September 2, 2010
Winter Sports (Basketball, Soccer & Water Polo)	November 16, 2010
Spring Sports (Gymnastics, Softball, Swimming, & Track & Field)	February 17, 2011

We are enthusiastic about working with this year's group of young women and look forward to an exciting season. We value your support and hope to see you in attendance at our events. We also look forward to your continued support and generous spirit toward the Saint Joseph High School Program.

Sincerely,

Mr. Dennis Blas
